

“EXPRESSION OF INTEREST” for OFFICIALS

Trampoline Sports International Competitions 2010

Trampoline Sports Officials,

2010 is a very big year for International Competitions in our sport. In order to send athletes to these International events, we must firstly have Officials. Without confirmation of Officials for each tour we cannot send teams, so it is imperative to ensure we have enough willing officials available prior to putting the expression of interest forms out for athletes. If there is a lack of officials for an international assignment, Australia will not send a team and therefore the allocated Selection Trials status will be removed in order to save time and money for interstate travelling athletes.

We would like you to look at the following calendar and identify seriously what you think you would like to make yourself available for. Please be aware that in all likelihood the majority of these assignments will be self-funded, so take this into consideration when completing your preferences. If necessary, number your preferences and let us know exactly how many you realistically can do.

The positions available would be TRP COACH, assistant TRP COACH, DMT COACH, assistant DMT COACH, TUMBLING COACH, TRP DMT & TUM JUDGES (FIG3 min for WC, FIG4 min World Age), TEAM MANAGER, and CHAPERONE. The number of positions is determined once the team size is known.

Please return this form by email to Darren Gillis at darren@splat.com.au by December 18th 2009.

Fill out the details below and your qualifications on the following page:

Name:

Competition	Dates	Location	Position/s	Availability
